**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My WiFi and phone company is Sonic, a small telecommunications company based in California.

It is such a relief to get excellent service. With both AT&T and Comcast I would have to be on the phone for hours to address frequent problems.

I am strongly opposed to price hikes for internet and telephone services.
